## Medicine Nurse Locum

- **Two-month locum nursing position in busy medicine referral department.**
- **Exciting opportunity to explore a new career avenue without making the initial long-term commitment.**
- **Possibility of ongoing employment at conclusion of the fixed term.**

The [Centre for Animal Referral & Emergency \(CARE\)](#) is seeking an experienced, enthusiastic veterinary nurse with a Certificate IV qualification (or equivalent) to locum in our medicine department for two months, from 13<sup>th</sup> June to 12<sup>th</sup> August 2022.

### About the Role

CARE is a busy, dynamic referral and emergency centre in Collingwood, close to Melbourne's CBD. We have three main departments, surgery, emergency/ICU, and medicine. The medicine department consists of three medicine specialists, a medicine registrar, and a medicine intern, as well as a supportive, experienced group of nurses. We accept cases from both external referring practices as well as our emergency department and work closely with the other departments to achieve the best possible outcome for each patient.

The medicine department prides itself on our outstanding patient care and client communication and would welcome a new member who shares those values.

The role involves:

- A two-month fixed term period, working four-day weeks, no weekends.
- Assisting the medicine clinicians with both nursing and administrative tasks.
- Intensive in-patient nursing care.
- Assistance with anaesthesia monitoring and procedures, including endoscopy, CT, and ultrasonography.
- Client communication and history compilation.

This position would suit an experienced nurse who has worked in specialist practice but would also be a good opportunity for a nurse who has extensive experience in a general practice setting. If we all enjoyed working together, there would be opportunities to continue your employment in our department long term.

### How to Apply

Applications (including a current CV with references) and enquiries should be directed to Ms Erin Gibson via [careers@carevet.com.au](mailto:careers@carevet.com.au).

**CARE** is an equal opportunity employer, and we value diversity. We do not discriminate based on race, religion, gender, sexual orientation, or age.
